Students in the Spanish major are strongly encouraged to consider a semester study abroad or one/two short term study abroad experiences in a country where Spanish is spoken. This experience will enhance the student's proficiency in the Spanish language and Hispanic cultures. Bethany College maintains a program at the University of Navarra in Pamplona, Spain.

The following are prerequisites for student teaching: WLAC or EDUC 480; WLAC 481; and a minimum level of Advanced Low on the ACTFL Oral Proficiency Test Interview.

Candidates will be recommended for WV state certification only when the following requirements have also been completed: all courses listed below, the Professional Portfolio, requirements for a Bethany degree, and WV-required PRAXIS I and II tests (passed according to WV-required cut-off scores). Courses listed above indicated with an * and courses listed immediately below must be completed prior to the 445/470/471/472/473 Block – i.e. they are prerequisites to Student Teaching.
