DO YOUR BRAIN

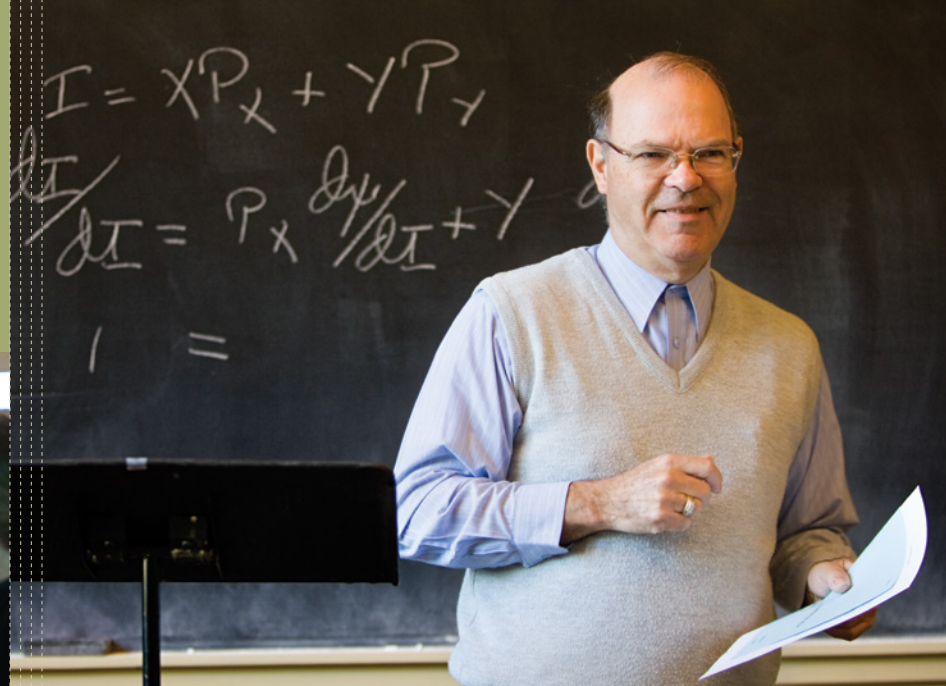

a favor.

We could give you a long list of majors, more than 30 of them. That's what most liberal arts colleges do. But, what Bethany College really does is teach you to think. Every course you take takes your brain on a journey all its own. And that's nice. Because, when you leave, you'll have to come up with answers every single day, no matter what you do for a living. Thank us later.
