IT PAYS

TO WORK FOR NOTHING.

If it's a Bethany internship, it'll pay handsomely later. It might even pay a little bit now. But here's what counts. We have contacts with companies all over the U.S. and the world, not to mention our alumni. That's what Bethany internships are all about. Opportunities to put your skills into action. Our students take advantage of them to coincide with their field of study, to get a real taste of the real world. That's the big payoff. You'll see.
