

Bethany

100%
JUST ABOUT.

That would be the Bethany acceptance rate to grad school. No matter what your major — business, medicine, engineering, pre-med, or pre-law — you are desirable. And, because of the way you're prepped, the percentages say we're doing the right thing. And, if graduate school is not for you, we have influential alumni who will get you going in the job market. That's how it works.
